

PRAJIT PARMAR

Fintech & Web Developer · UI/UX Design Background · Open to Toronto Opportunities

📍 Brantford, ON

📞 647-220-8123

✉ 3.prajit@gmail.com

🌐 prajit.it

PROFESSIONAL SUMMARY

Computer Engineering graduate (B.Tech) with hands-on UI/UX design experience and a Conestoga College Web Development diploma. Targeting entry-level fintech and banking technology roles in Canada — with a self-built Canadian banking prototype (NorthStar CAD Bank) and active certifications in fintech, AWS, and SQL. Trilingual communicator (English, Hindi, Gujarati) with proven team leadership and payment operations experience.

WORK EXPERIENCE

Shift Manager · [Pizza Hut](#) · Brantford, ON Apr 2025 – Present

- ▶ **Promoted from Crew Member to Shift Manager** within one year — recognized for leadership and operational performance.
- ▶ Managed **payment reconciliation and cash balancing** at shift close — direct parallel to fintech payment operations.
- ▶ Led and trained front-of-house and kitchen staff, demonstrating leadership in fast-paced, high-volume environments.
- ▶ Resolved customer escalations and complaints, maintaining high satisfaction through effective communication under pressure.
- ▶ Oversaw multi-workflow operations during peak hours — managing concurrent processes similar to transaction monitoring.

Crew Member · [Pizza Hut](#) · Brantford, ON Mar 2024 – Apr 2025

- ▶ Supported high-volume payment processing and cash register operations across evenings and weekends.
- ▶ Resolved real-time customer inquiries in-person and via phone, maintaining quality under pressure.
- ▶ Coordinated with kitchen and service staff for seamless operations — demonstrated reliability that led to promotion.

UI/UX Design Intern · [Alien Software](#) · Gujarat, India During B.Tech

- ▶ **Designed and prototyped user interfaces** for client-facing products using Figma and industry-standard design tools.
- ▶ Collaborated directly with development teams to translate wireframes into functional, accessible interfaces.
- ▶ Conducted user research and iterative prototyping — foundational skills directly applicable to fintech product design.
- ▶ Worked across the full design cycle from brief to delivery within an agile team environment.

PROJECTS

NorthStar CAD Bank — Full Canadian Online Banking Prototype · [AngularJS](#), [Node.js](#), [JavaScript](#), [CSS](#)

- ▶ Built a fully functional Canadian banking prototype with authenticated users, CAD account balances, credit card, E-Transfer flows, and biometric login controls.
- ▶ Demonstrates fintech product thinking: account clarity, transaction confidence, and clean dashboard UX.
- ▶ Live on GitHub — available for portfolio walkthroughs with dummy accounts and test credentials.

Personal Finance Tracker — Expense Management Web App · [HTML](#), [CSS](#), [JavaScript](#)

- ▶ Web app to log income, categorize expenses, and display summary charts — core product type built by retail banks.

Currency Converter — Live Exchange Rate Tool · [JavaScript](#), [REST API](#)

- ▶ Lightweight tool consuming a live exchange rate API — demonstrates real-time financial data integration.

TECHNICAL SKILLS

Languages	HTML, CSS, JavaScript, Java (basic), SQL
Frameworks	AngularJS, Node.js, REST APIs
Design	Figma, UI/UX Prototyping, User Research, Wireframing
Tools	Git, GitHub, VS Code, Microsoft Excel
Domain	Payments, Digital Banking, Fintech Fundamentals, Agile/Scrum
AI Tools	GitHub Copilot, ChatGPT/Claude for development acceleration

EDUCATION

Diploma — Web Development · [Conestoga College](#) · Ontario, Canada

- ▶ Covered HTML, CSS, JavaScript, REST APIs, Git, and introductory back-end development.

B.Tech — Computer Engineering · [A.D. Patel Institute of Technology](#) · Gujarat, India

- ▶ Four-year engineering degree covering computer science fundamentals, data structures, OOP, and software systems.

CERTIFICATIONS (IN PROGRESS)

Currently completing: **AWS Cloud Practitioner** · **Fintech Foundations (Coursera/U of Michigan)** · **SQL for Data Analytics**

ADDITIONAL

Languages: English (Proficient) · Hindi (Proficient) · Gujarati (Proficient)
